SERVICES

HOME FURNITURE & FURNISHING

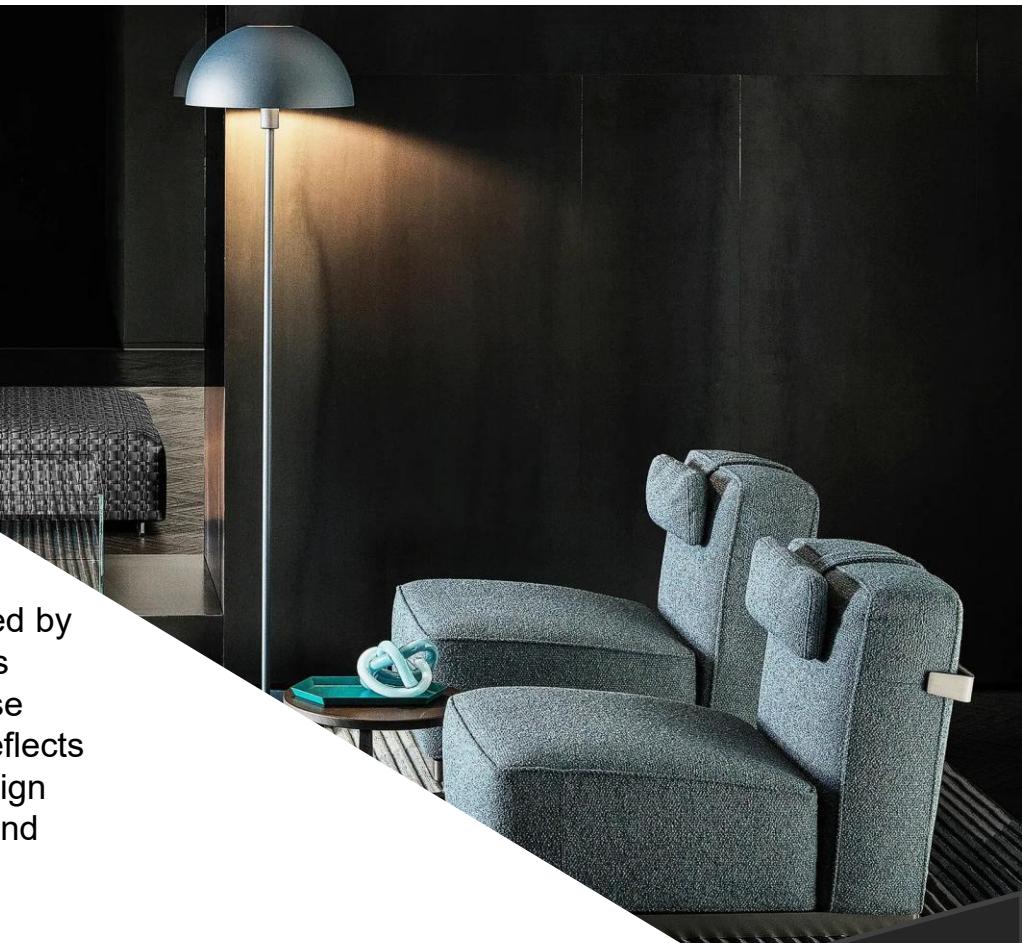

FLEXFORM

HOME FURNITURE

Flexform creates refined Italian home furniture defined by quiet elegance, impeccable proportions, and timeless comfort—pieces that age beautifully rather than chase trends. Every sofa, armchair, table, and accessory reflects master craftsmanship, premium materials, and a design language that feels effortless in both contemporary and classic spaces. The result is a living experience that balances softness with structure, serenity with sophistication.

Take an overactive journey around the Flexform collection, through fluid pathways that expose brand new living spaces, revealing the furniture within them.

SERVICES
HOME FURNITURE & FURNISHING

MOROSO™

LIVING ►

Moroso, the beauty of design. Contemporary furniture for home and contract has been working in close collaboration with some of the world's most talented designers to produce luxury sofas and seating since 1952.

vitra.

LIVING ..6.

Vitra is a company that constitutes part of the Turkish Eczacibasi Group which has produced tiles and sanitary ceramics and distributed these globally since 1942. The name similarity with the brand name vitra. is coincidental; both companies developed entirely separately from one another.

driade

LIVING ..6.

Driade was born in '68, some decades ago, in the same period as the trends that would have characterized the twentieth century: both the rigor of geometric and rational design and, on the other hand, the recovery of pop art and its influence on pop and radical design. Today, the "design landscape" is quite different, permeated as it is by the globalization and all-embracing digitization.

FIAM

GLASS PRODUCTS ..6.

The success of the complex process by which glass is transformed into the finished product relies on the experience of skilled craftsmen who carry out various operations: silver-coating, bending, decoration, fusion, engraving, grinding and carving.

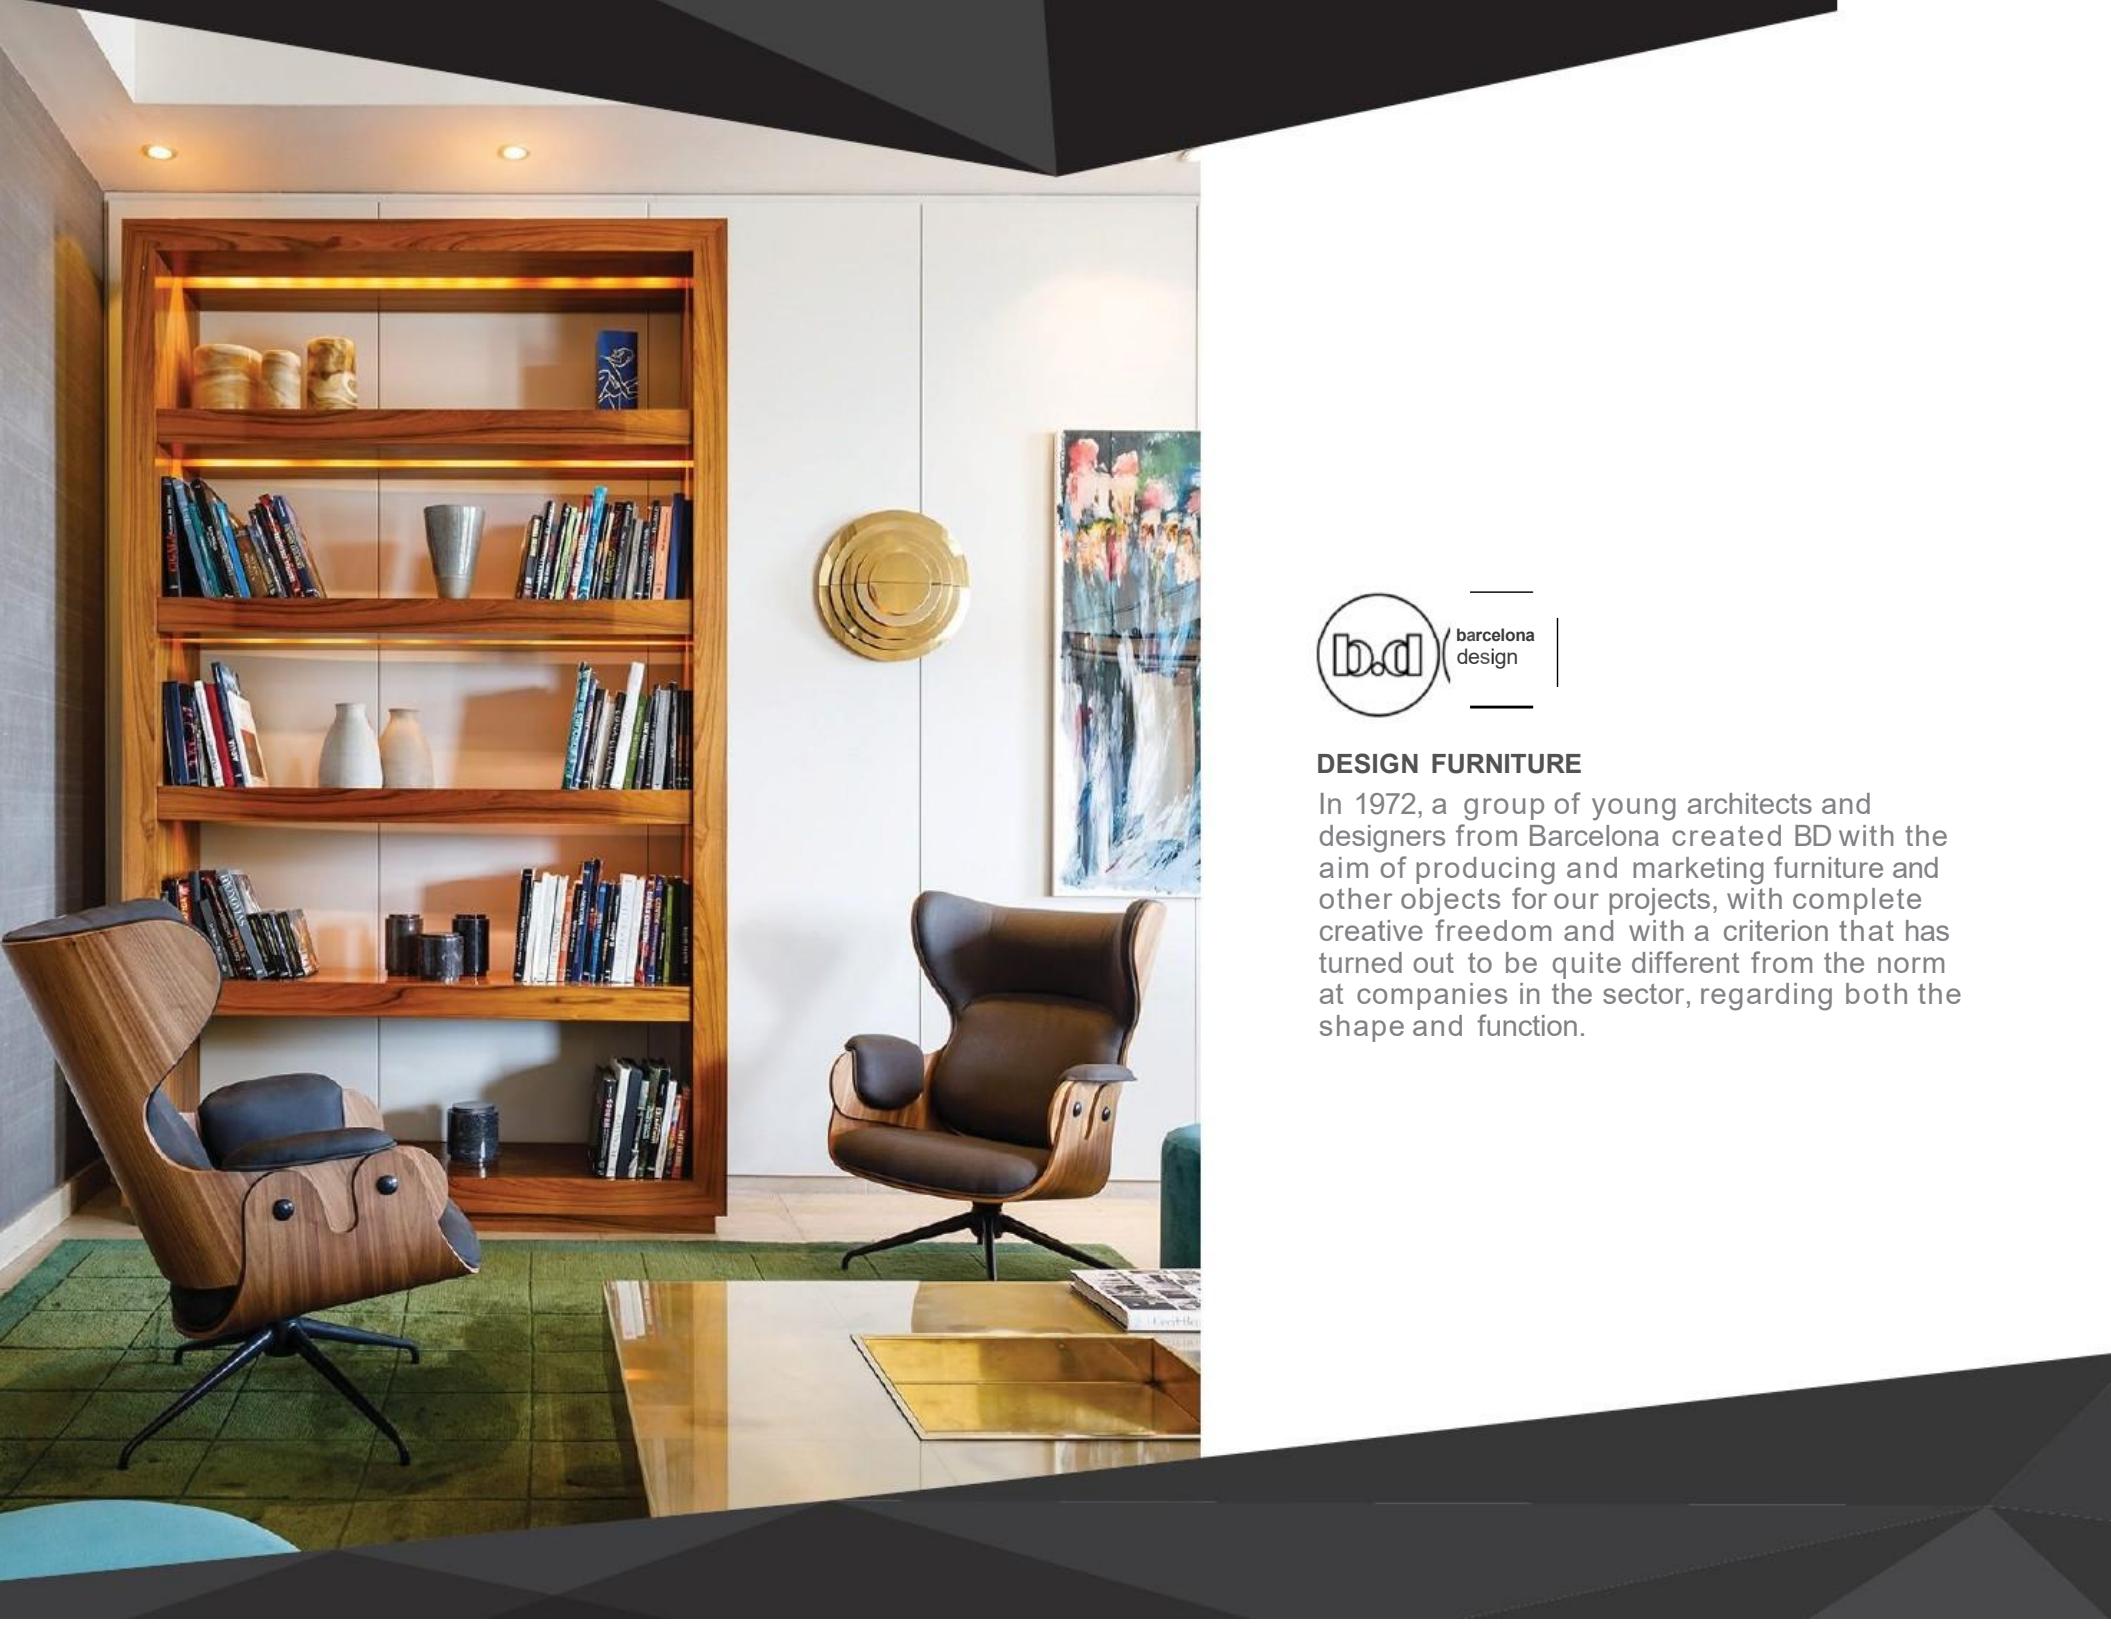

SERVICES DESIGN FURNITURE

ACERBIS

DESIGN FURNITURE

Known as one of the few Italian firm which, from the Sixties on, have contributed to the birth and diffusion of the Italian furniture design, nowadays Acerbis is an extremely dynamic reality, always ready to read the signals of a rapidly changing world. The main guideline for each new Acerbis product is the constant tension towards innovation, together with the continuous search for a connection with the surrounding reality, which determines the evolution of housing and furniture design.

barcelona
design

DESIGN FURNITURE

In 1972, a group of young architects and designers from Barcelona created BD with the aim of producing and marketing furniture and other objects for our projects, with complete creative freedom and with a criterion that has turned out to be quite different from the norm at companies in the sector, regarding both the shape and function.

SERVICES

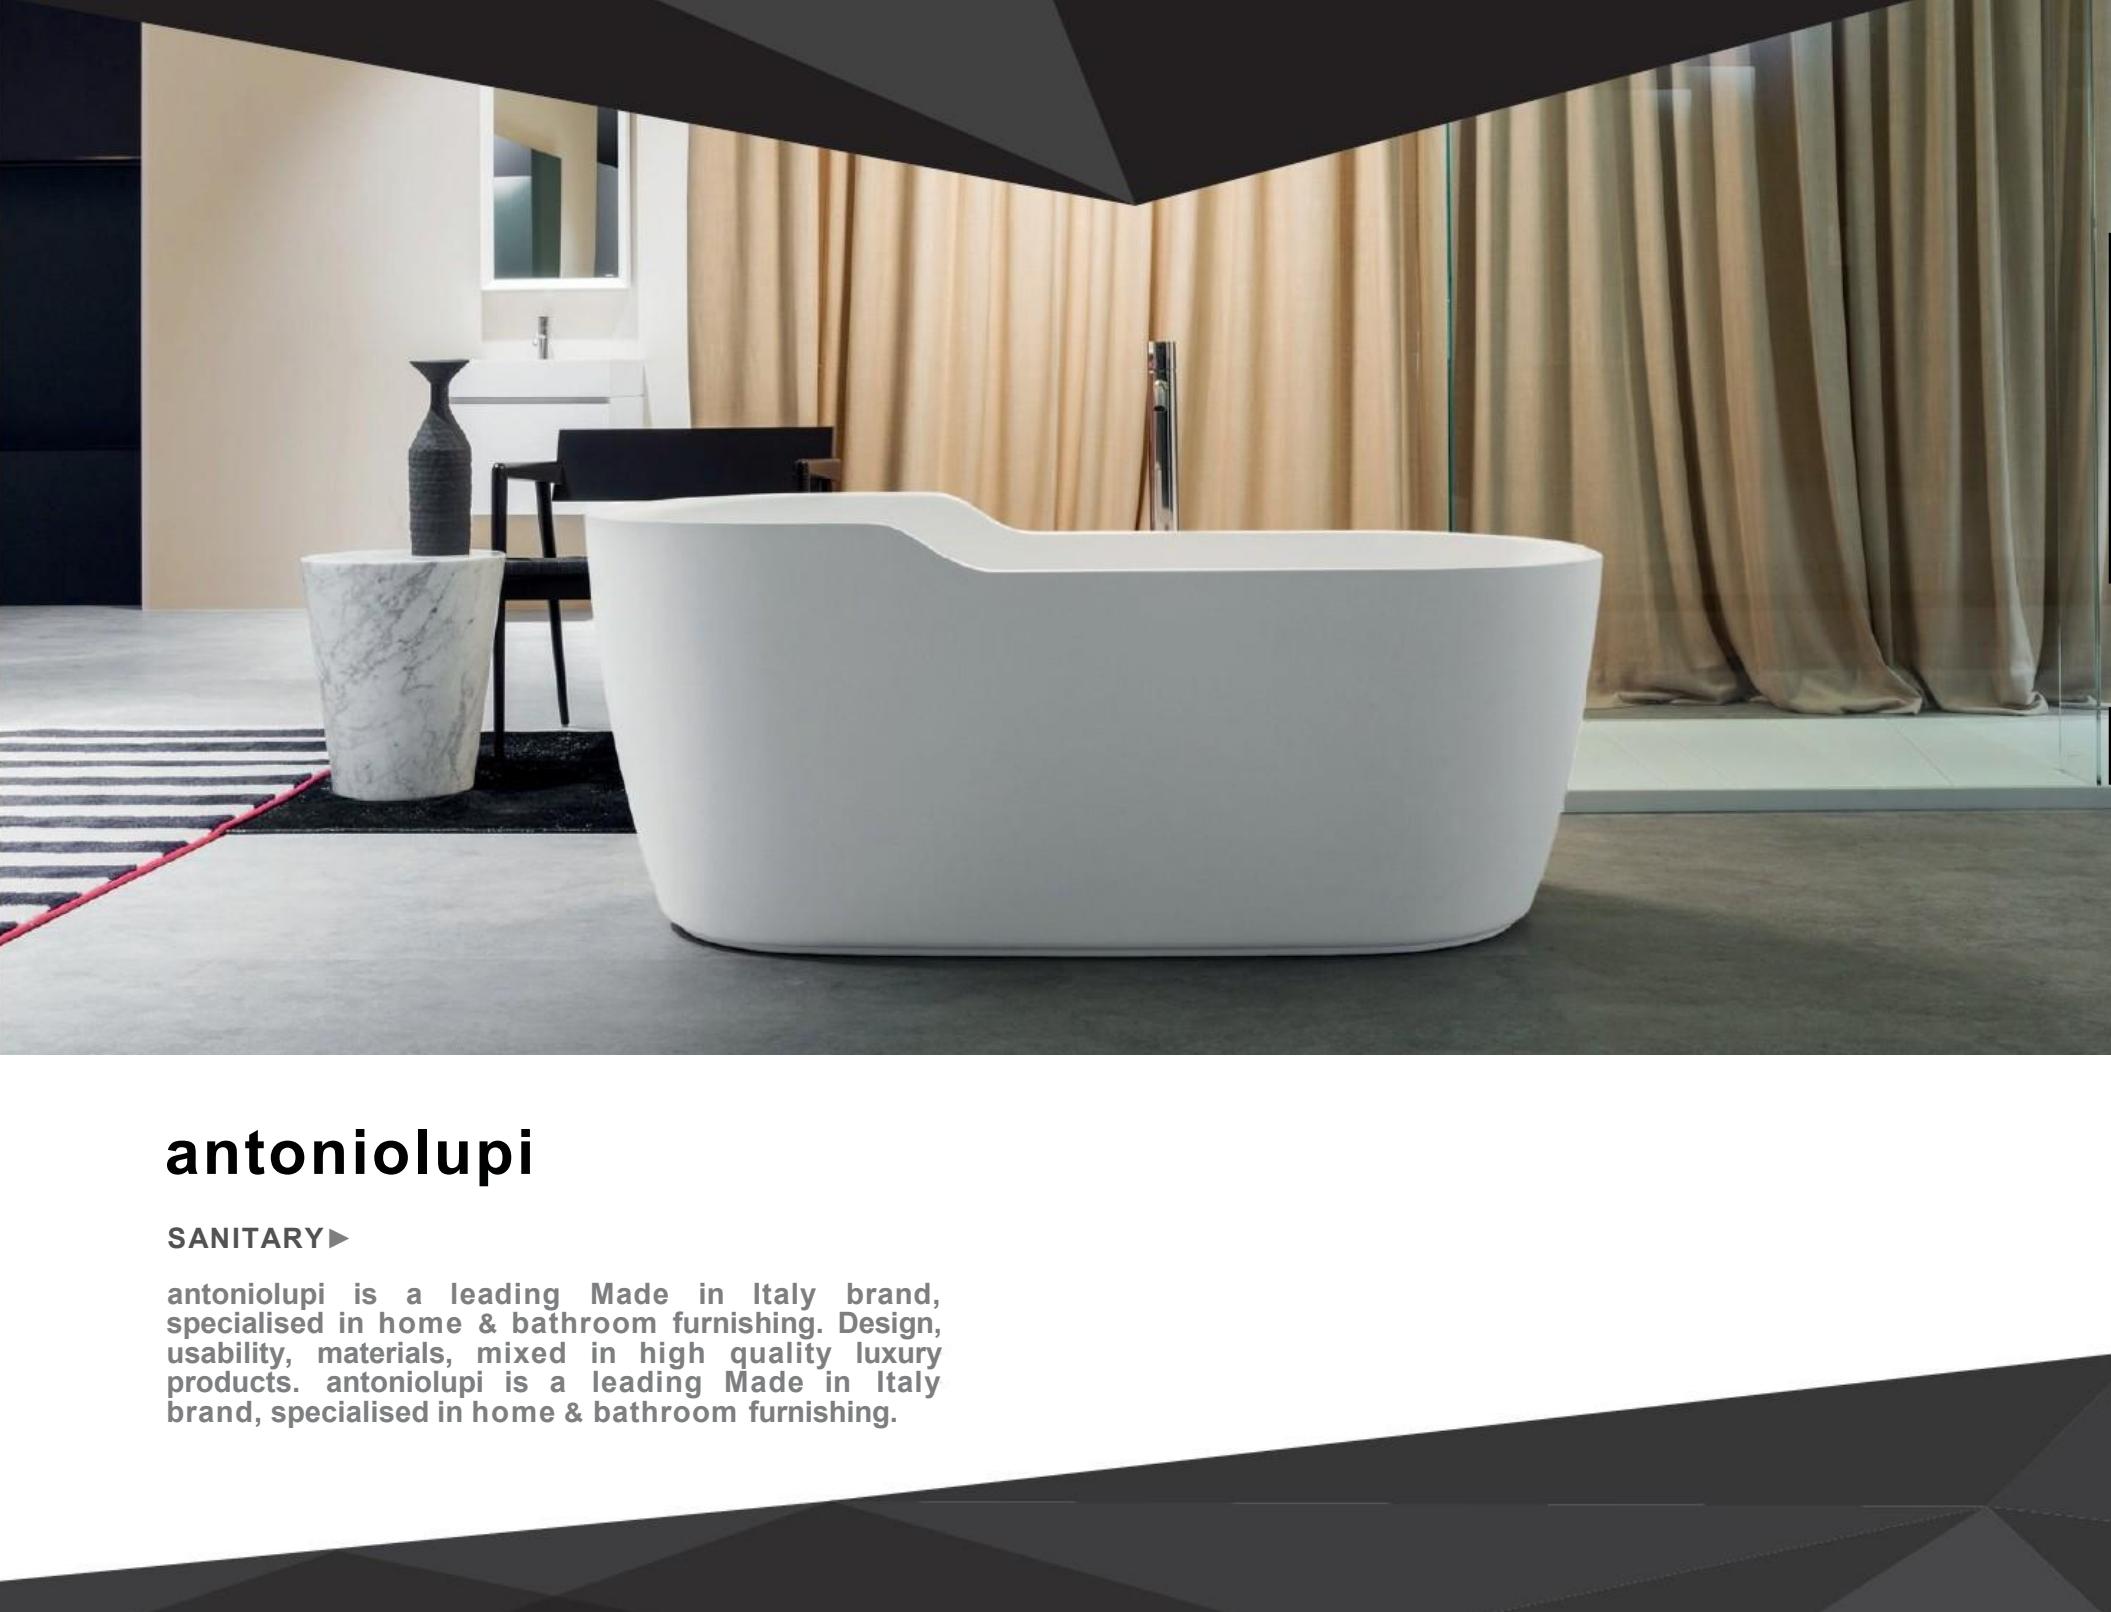

KITCHEN & SANITARY

VALCUCINE 

KITCHEN ▶

High technology, formal simplicity, pure and essential lines are the main features of Artematica kitchen. The high quality level derives from the technical innovation used to create the first single-block door in dematerialised layered laminate. It is made from an aluminium structural frame to which various types of panels in different materials are applied: HPL layered in many different colours. wood-laminate layered laminate. lacquered MDF. glass.

antoniolupi

SANITARY ▶

antoniolupi is a leading Made in Italy brand, specialised in home & bathroom furnishing. Design, usability, materials, mixed in high quality luxury products. antoniolupi is a leading Made in Italy brand, specialised in home & bathroom furnishing.

SERVICES
LUMINAIRES

Artemide

TECHNICAL & DECORATIVE LAMPS

Founded in 1960s, Artemide is one of the most known illumination brands in the world. Known for its "The Human Light" philosophy, Artemide is nowadays synonym with design, innovation and made in Italy.

I LOS

TECHNICAL & DECORATIVE LAMPS

For fifty years we have been crafting objects of light and shedding brightness on generations of dreams.

For us. light is the substance for expressing new ideas and illuminating unexplored emotions. We write the future. reading our past and expressing the present. in a continuity of positive challenges and bold choices that have shaped our image and identity.

SERVICES
LUMINAIRES

SLAMP:

Where Light comes to life ►

Slamp devotes itself to decorative design lamps, capturing the most current trends, drawing on the natural world, on architectonic, sartorial virtuosity and on artistic developments, transforming them into luminous objects, which are both suggestive and versatile.

BUZZI & BUZZI

◀ TECHNICAL LIGHT

Since the early years, the made in Italy company has relied on the contribution of renowned architects, thus recognizing the importance of design differentiation.

Technology and design come together to create new concepts of light: the result is objects which are genuinely different, not only from an aesthetic point of view, but also functional and technical.

FOSCARINI

DECORATIVE LAMPS ►

A technological and creative workshop that conceives, develops and produces not just lamps but pure emotions, in collaboration with many other designers from around the world.

A company that is free, passionate, unconventional and right at the heart of the industry in which it thrives.

This is Foscarini the lighting leader in Italy.

SERVICES OUTDOOR FURNITURE

OUTDOOR FURNITURE ◀

G A N

SERVICES

DOOR HANDLES & UMBRELLAS

DOOR HANDLES ►

In its century-old history, Olivari has always sought out the maximum in quality, relying on the creativity of the best designers and architects. The Oliveri family has handed down its attention to details, the search for innovation, and mainly a passion for its work, from generation to generation.

OUTDOOR UMBRELLA ►

The sun seems to expand the world we live in. But when the sun shines just a little bit too brightly, you long for a place in the shadow. Parasol literally means 'to keep the sun out'. An Umbrosa on the contrary creates shadow. It allows you to keep enjoying the sun.

SERVICES OFFICE FURNITURE

Quadrifoglio

OFFICE FURNITURE

OFFICE FURNITURE ►

Quadrifoglio products are the result of a painstaking blend of technology, design, costs, materials, functionality and spot-on market research. Quality and environmental sustainability are also key focus areas of the group's activities. Products are tested and certified by external certifying bodies such as Cates and Febo.

◀ OFFICE FURNITURE | AUDITORIUM

Since 1968, we have been designing and manufacturing solutions for both national and international projects, with standardised, but also specific, references depending on each need. All our processes are our own, from the mechanisation of wood, metal or tooling to the application of finishes... taking care of every last detail of each piece of furniture that leaves our production plant in Castalia, Alicante.

PROF

OFFICE FURNITURE ►

Prof is an Italian family business specialising in the production of office design, meeting the expectations of those looking for classy furniture for their workplaces.
